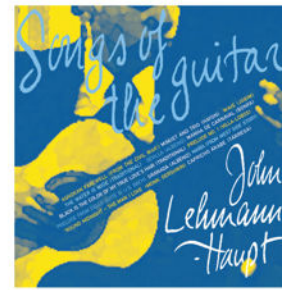
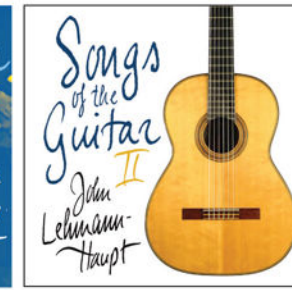
JOHN LEHMANN-HAUPT

IN CONCERT, John interweaves classical selections with his fluently voiced arrangements of popular and traditional songs, giving audiences a mix of old and new that has both contrast and continuity, with commentary along the way.

John has released two critically acclaimed CDs, and his song arrangements have been published by Mel Bay. He has written extensively for *The New York Times*, *Acoustic Guitar*, and several other publications, and he was a staff instructor at New York's American Institute of Guitar from 1982 until its closing in 2008. Since 2006, he has served on the Board of Directors of the New York City Classical Guitar Society.





"John Lehmann-Haupt's aptitude is beautifully displayed on this disc."
